

Product Specification Sheet: Yaeyama Chlorella 300 Tablets Bottle

March 10, 2025
Euglena Co., Ltd.
OEM & Materials Division

Product Features

The "Yaeyama Chlorella 300 Tablets Bottle" uses only Yaeyama Chlorella powder, which is cultured and produced in the subtropical environment of Okinawa/Ishigaki Island. The tablets are expertly made without any additives or excipients. The entire process from start to finish is carried out within Okinawa Prefecture, making it a unique "Made in Okinawa, Japan" chlorella tablet product.
