pH	2.8 ± 0.2
Brix.	50 ± 2

CGF liquid *yaeyama* 720ml

Chlorella extract comes from boiling extraction from excellent Chlorella, which received a lot of tropical sunshine. We refine and concentrate the extract liquid, and for the preservation of the drink, oligo-sugar, honey and fruit acid are added.

It can be taken deliciously for anyone from children to older people because it is drinkable. Please drink straight or dilute with cold water or hot water about 25ml as for a day.

Composition of CGF liquid *yaeyama* 720ml
