<b>Catch-phrase</b>	<p>“Fucoidan originated from healthy Okinawan mozuku seaweeds for modern people” There is an increase in people who are not health confident. Various physiologic effects of Fucoidan have been unveiled, and it holds great possibilities of supporting the health of modern people.</p>		
<b>Product Marketability</b>	<p>According to the announcements by the Japan Hospital Association (preventive medicine committee report) in 2002, the nationwide summary on Ningen Dock (complete medical examination) showed that the health conditions of the Japanese are worsening annually, and that there is an upward trend in the abnormal conditions related to lifestyle such as obesity, high-blood pressure, high cholesterol, high levels of neutral fat and increased hepatic malfunction indicators. This shows that many Japanese hold problems in their health, and need to improve their lifestyle habits through taking physiologically functional food that supports health from within and exercises.</p>		
<b>Notes</b>	<p>Avoid humidity and direct sunlight, and store in a cool place. Keep out of the reach of children. This health supplement statement had not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure or prevent any diseases.</p>
