

# Product Introduction

20220222-T023

<b>Product name</b>	<b>NOBI TREE</b>		<b>Product image</b>
<b>JAN CODE</b>	4 562138 274693 NO ITF CODE		
<b>Contents</b>	30g(200 mg × 150 tablets) / 30 days		
<b>Bottle/Case</b>	6 bottles		
<b>Market price</b>	8, 500 yen (Excluding tax)		
<b>Seller</b>	TROPICAL PLANT RESOURCE INSTITUTE. INC 1212-4, ENOBI, URUMA CITY, OKINAWA, 904-2205, JAPAN		
<b>Product size</b>	height × width × depth / weight		
	Bottle	H83 × Φ44 (mm) / 90g	
	Package	H84 × W46 × D46 (mm) / 100g	
	C/S	6 bottles	
<b>Material of the packaging</b>	《container》White frosted glass bottle 《Packaging》Cardboard 《Lid》Shallow sliver lid (Desiccant in the lid) 《Bottle label》Paper 《Packaging》Paper 《Carton》Cardboard		
<b>Features/ Sale Points</b>			
Catchphrase : <b>Easy brain care with high concentration Nobiletin!</b>			
<p>NOBI TREE uses the shikwasa (Citrus × depressa) peel from Yanbaru (northern Okinawa prefecture), a designated World Heritage Site. Until now, the shikwasa peels were discarded after squeezing the juice (about 1500 to 2000 tons per year). However, recent studies revealed that the peels of shikwasa are rich in nobiletin and tangeretin, which are very functional components called polymethoxyflavone (PMF). This product uses high-concentration nobiletin extracted by a patented method from “Okinawa Shikwasa”, which is full of functional ingredients. By taking only 5 tablets (1g) per day, the recommended daily amount, you can consume 26mg of nobiletin and 9 mg of tangeretin.</p> <p>※Nobiletin and tangeretin have been shown to be effective in preventing dementia and improving mild cognitive impairment (MCI), as well as improving obesity, diabetes, dyslipidemia, skin disorders (allergic symptoms), and urinary disorders.</p>			
<b>Raw materials</b>			
Maltodextrin (Japan)、Shikwasa peel extract (Okinawa) / Calcium Stearate			
<b>Storage method and shelf-life</b>		<b>How to use</b>	
[Method] Store in a dark place [Shelf-life] Unopened: 24 months ※Please consume as soon as possible after opening.		Take 5 tablets a day with water.
