Local wholesale Price	JPY178,500yen	Units/Case	one steel can
		Net Weight	15.35kg
Package material	steel can	Gross Weight	16.5kg
Size demention	240 x 240 x 350 (mm)	Net volume	18.5L

Production Description The Squalane is 99.9% pure and extracted from liver oil of Aizame sharks, which inhabit non-polluted waters of Okinawa at depths between 600m and 1000m. This superior natural oil is a product of Japan. Great care is taken in its preparation to insure potency and stability. Perfect for round the clock applications softens, diminishes tiny facial lines. Heals, soothes dry, imitated skin. Creates a barrier to protect your skin against the harsh environment. Apply throughout the day to night, dry areas of the body. Also to sunburned skin. As a base it makes your moisturizer and facial treatment work more effectively. Squalane is 100% compatible with the natural oils of your body. If you desire softer, smoother, prettier skin, you'll love Okinawa Squalane!!
